

# CONVERSATIONS

*WITH RADICAL THINKERS*

## CAPITAL AND ITS DISCONTENTS

Capitalism is stumbling, empire is faltering, the floods and cyclones are intensifying. Yet many people are still grappling to understand these multiple crises and to find a way forward to a just future. What are capitalism's vulnerabilities and what can we do to hasten its demise? Join a discussion with acclaimed US broadcaster Sasha Lilley, to discuss capitalism, crisis, utopia & the left.

**6pm, Friday 11 February. Free.**

## THE REVOLUTION WILL NOT BE TWEETED

What types of relationships are needed to build a better world? To what extent can new social media contribute to social change? How can we implement this in our organising today? Social network researcher Nicholas Harrigan will facilitate a discussion about strong social ties and the types of relationships that have the potential for positive social change.

**3pm, Saturday 12 February. Free.**

Plus dozens of workshops at Anarchist Summer School, 18-20 Feb. All welcome!
